

LEADER COMMITMENT

Serving with minors is a trusted leadership role. The following commitments define **who we commit to be** and **what we commit to do** so students are disciplined, cared for, and protected with integrity.

WHAT WE COMMIT TO BE

- | | | |
|----|----------------------------|---|
| 01 | Christ Follower | I acknowledge Jesus Christ as Lord and will keep growing through the Bible, prayer, worship, and community in the life of the church. |
| 02 | Representative | I represent Jesus, Southeast Christian Church, Southeast Students and will support the church's mission, beliefs, leadership, and unity. |
| 03 | Above Reproach | I will live with integrity in my words, actions, relationships, habits, and online presence, and will not knowingly misrepresent Jesus or Southeast. |
| 04 | Trustworthy | I will use my influence to protect, encourage, and disciple students—never to manipulate, isolate, shame, favor, or create inappropriate dependence. |
| 05 | Teachable | I will receive coaching, correction, and direction with humility. Teachability is part of faithful leadership. |
| 06 | Disciple-Maker | This is more than a weekly program. I will pray for students, help them feel known, and point them to Jesus and their next steps of faith. |
| 07 | Integrity | If my ability to lead with integrity becomes compromised, I will speak with Staff and, if needed, step back from serving. |
| 08 | Conflict Resolution | Following Matthew 18:15-17, I will handle conflict with humility—going directly to the person, avoiding gossip, pursuing reconciliation, and involving the right leaders when needed. |

WHAT WE COMMIT TO DO

- 01

Serve Faithfully

I will serve the full ministry year—August through July—and participate in weekly gatherings, leader trainings, and all required ministry rhythms.
- 02

Consistent

I will be on time, prepared, and engaged when serving. Consistency builds trust with students, families, leaders, and staff.
- 03

Communicate

If I need to miss a gathering, event, or serving commitment, I will tell my co-leaders and Staff as early as possible.
- 04

Be a Teammate

I will work with co-leaders, campus staff, parents, and SE Students leadership in a way that is clear, cooperative, and aligned.
- 05

Safety Guidelines

I will follow all Southeast and Southeast Students safety policies and boundaries at all times, including:
 - Never being alone with a student in a private or isolated setting.
 - Appropriate physical, emotional, spiritual, relational, and digital boundaries.
 - Communicating with students only in transparent and approved ways.
 - Reporting concerns, disclosures, or unsafe situations to Staff immediately.

AGREEMENT

By signing, I confirm I have read, understand, and agree to these commitments as a leader with Southeast Students. Failure to follow these commitments may result in being paused or removed from serving. If I have questions or cannot agree to any commitment, I will speak with Staff before serving.
