GUARDARILS

STOPLIGHT GUIDE

SCAN FOR THE FULL COURSE

SE Students wants every leader to promote safety and awareness in tough conversations. Ministry is messy and these topics can feel intimidating—here are the **guidelines for how to best proceed**.

"Green means go."

You've got this. You have both the Sword and the Spirit.

- Family problems
- Relational problems
- Homesickness
- Heartfelt confessions
- Questions about dating & sex
- Church & theological questions

YELLOW LIGHT

"Proceed with caution."

Mention it to a staff member for coaching.

- Bullying
- Pornography
- Eating disorders
- Drugs or alcohol
- Anxiety or depression
- Engagement in sexual activity
- Gender & sexual identity questions

RED LIGHT

"Stop and get help."

Get a staff member and bring them into the conversation.

- Self-injury
- Hearing voices / hallucinations
- Sexual & physical abuse reported
- Suicidal / homicidal thoughts (threats to harm)

STUDENT TO LEADER: IN PERSON

Southeast takes seriously the responsibility of keeping our people safe. Here are some best practices when interacting with students in person.

PROGRAMMING

- **Keep students in programming.** We want all students in the student room. If a student wants to talk one-on-one, wait until after program and groups end, and meet in a public area where you are visible to others.
- **Appropriate interactions.** Appropriate touches with a student: handshakes, high-fives, and side hugs.
- **When a student's ride is late.** Never leave a student waiting alone—wait with two adults. If you have a parent or guardian's permission to drive a student home, bring another cleared adult.

COUNSELING

- **Counsel same gender.** If a student of the opposite gender comes to you for counsel, connect them with a leader of the same gender.
- **Be visible.** Meet in a public area where you are visible to other people. Never meet in private.
- **Review the Counseling Spotlight.** When counseling a student, refer to the **Stoplight Guide** on how to best proceed in conversation.

OUTSIDE OF CHURCH

- **Pair up with another leader.** When planning an outside activity with students, always include another cleared adult and stay within the 1:25 student/leader ratio.
- **Transporting students.** Never give a student a ride home unless you have another cleared leader in the vehicle and a parent's or guardian's approval.
- **Communicating digitally.** When texting or using social media with students, follow the **Digital Communication Safety Guardrails** on the next page.

STUDENT TO LEADER: ONLINE

When it comes to digital interactions, the following are some best practices to promote safety and create a healthy environment between leaders and students.

TALK TO PARENTS FIRST

Make parents and guardians fully aware of all the digital methods that will be used to communicate with students for ministry purposes.

KEEP IT PLURAL

Want to let an absent student know they were missed, or tell someone you're proud of them? Use plural pronouns instead of singular ones. Rather than "I missed you," say "We missed you."

ADD A CO-LEADER

Adding another leader helps with accountability. Group texting is the preference for all digital communication. At no time should one-on-one video communication take place between a student and leader.

COMMUNICATION LIMITS

Most conversations can wait until the next day—a healthy boundary. Use "scheduled sending" for messages composed outside acceptable hours (e.g. write a message at 9:30 p.m. and schedule it to go out at 7:00 a.m. the next day).

TRACEABLE COMMUNICATION

Apps with a "self-destruct mode" can create dangers when adults use them to communicate with minors. To be above reproach, only communicate with students in ways that are traceable. Never delete a conversation with a student.

HIGH CALLING

LEADER COMMITMENT

Serving with minors is a trusted leadership role. The following commitments define **who we commit to be** and **what we commit to do** so students are discipled, cared for, and protected with integrity.

WHAT WE COMMIT TO BE

01	**Christ Follower**	I acknowledge Jesus Christ as Lord and will keep growing through the Bible, prayer, worship, and community in the life of the church.
02	**Representative**	I represent Jesus, Southeast Christian Church, Southeast Students and will support the church's mission, beliefs, leadership, and unity.
03	**Above Reproach**	I will live with integrity in my words, actions, relationships, habits, and online presence, and will not knowingly misrepresent Jesus or Southeast.
04	**Trustworthy**	I will use my influence to protect, encourage, and disciple students—never to manipulate, isolate, shame, favor, or create inappropriate dependence.
05	**Teachable**	I will receive coaching, correction, and direction with humility. Teachability is part of faithful leadership.
06	**Disciple-Maker**	This is more than a weekly program. I will pray for students, help them feel known, and point them to Jesus and their next steps of faith.
07	**Integrity**	If my ability to lead with integrity becomes compromised, I will speak with Staff and, if needed, step back from serving.
08	**Conflict Resolution**	Following Matthew 18:15-17, I will handle conflict with humility—going directly to the person, avoiding gossip, pursuing reconciliation, and involving the right leaders when needed.

WHAT WE COMMIT TO DO

01	**Serve Faithfully**	I will serve the full ministry year—August through July—and participate in weekly gatherings, leader trainings, and all required ministry rhythms.
02	**Consistent**	I will be on time, prepared, and engaged when serving. Consistency builds trust with students, families, leaders, and staff.
03	**Communicate**	If I need to miss a gathering, event, or serving commitment, I will tell my co-leaders and Staff as early as possible.
04	**Be a Teammate**	I will work with co-leaders, campus staff, parents, and SE Students leadership in a way that is clear, cooperative, and aligned.
05	**Safety Guidelines**	I will follow all Southeast and Southeast Students safety policies and boundaries at all times, including:

- Never being alone with a student in a private or isolated setting.
- Appropriate physical, emotional, spiritual, relational, and digital boundaries.
- Communicating with students only in transparent and approved ways.
- Reporting concerns, disclosures, or unsafe situations to Staff immediately.

AGREEMENT

By signing, I confirm I have read, understand, and agree to these commitments as a leader with Southeast Students. Failure to follow these commitments may result in being paused or removed from serving. If I have questions or cannot agree to any commitment, I will speak with Staff before serving.

SERIES OVERVIEW

ONE AT A TIME

We all want to be used to change the world. We don't want to spend our lives being time-wasters, or space-takers, or binge-watchers, or game-players. We want to be difference-makers. But it's easy to get caught up in the everyday stuff of life until the years slowly go by, and with each passing year the question gets louder: "Am I making any difference in this world?" Without a doubt, Jesus is the person who has made the biggest difference in all of history. So how did He do it? If we study His life in the Gospels, one particular phrase captures how Jesus had such an impact, and it's how He wants to use us: one at a time. Making a difference isn't measured by a viral post or a name on a building. It isn't a following or a fan base or a bank account. Want to make a difference? Focus on the one. That's the secret of the way of Jesus. One at a time.

SERIES TWO

CHURCHY WORDS: THE UNHOLY TRINITY

THE WAR YOU DIDN'T KNOW YOU WERE FIGHTING · 4 WEEKS

SERIES DATES

SERIES OVERVIEW

CHURCHY WORDS: THE UNHOLY TRINITY

Churchy Words is the series we bring back every so often to dive deeper with our students on important subjects in the Bible. The word "trinity" doesn't appear in the Bible, but it helps us capture the mystery of who God is as three persons. Similarly, the "Unholy Trinity" isn't in Scripture, but it names the counterfeit triad the New Testament describes as forces opposing the church. In this series we walk through the book of James to expose the three enemies that constantly war against the life God is forming in us: the flesh, the world, and the devil. James shows us that spiritual warfare isn't just "out there" in obvious darkness—it shows up in our desires, our words, our pride, and the way we drift toward the values around us. The world pressures us from outside, the flesh pulls from inside, and the devil works to deceive, accuse, and divide. But James doesn't just diagnose the battle; he calls us to a faith that is active, surrendered, humble, and whole. Our prayer is that students would recognize the fight they're in, resist the lies they believe, and submit every part of their lives to Jesus—knowing victory isn't found in trying harder, but in drawing near to God, who gives more grace.

SERIES OUTLINE

WEEK 1	**The Flesh**	James 1:13-15; Galatians 5:16-17
WEEK 2	**The World**	James 4:1-10; 1 John 2:15-17

SERIES THREE

BEYOND BORING

THE INVITATION TO A BOLD FAITH · 4 WEEKS

SERIES DATES

SERIES OVERVIEW

BEYOND BORING

Throughout the book of Joshua, we see a theme of strength, courage, and radically bold faith. Joshua believed the promises God had spoken to his ancestors and his mentor—and reaffirmed to Joshua himself. His belief wasn't just an idea in his head; he moved beyond merely believing and lived a life of obedience even when it made him look weird.

Bold Faith isn't only for Bible characters or "professional Christians." It's for every person willing to take a step towards Jesus—and we experience it as we come to know the trustworthy, faithful nature of God. We want students to nurture a bold faith that lasts beyond their current stage of life: students who follow Jesus NOW and in the NEXT season.

One important connection for your students: bold faith doesn't have more power to save than childlike faith, but it helps us live a life of kingdom impact. Our goal is not to make students like Joshua but to connect them to Jesus, the author and perfecter of their faith.

SERIES OVERVIEW

THOSE PEOPLE

Jesus was hated by many because of who was at his table—quite literally who he shared meals with. He was mocked for eating with "sinners and tax collectors" because he wasn't just content with it—he was passionate about reaching "those people." In Acts we see the Church beginning to be led by the Spirit of Christ to do this same thing. It wasn't natural for them but eventually the apostles began to see the joy of inviting people far from God to join them at the table. Today, the church is still on mission to bring people to the table—even people who hate God, hate us, and who sometimes we hate.

SERIES OUTLINE

WEEK 1	**People Who Hate God**	Acts 8:4-13
WEEK 2	**People Who Hate Me**	Acts 9:1-19
WEEK 3	**People I Hate**	Acts 10:34-48
