SOUTHEAST STUDENTS · LUKE 9 MINISTRY TEAM

FALL SEMESTER PLANNING

The culture of our ministry to students starts with you, our leaders, living like Jesus.
We simply want to do what He did and allow His life to inform our ministry decisions and direction.

LUKE 9 · THE INTENTIONAL RHYTHMS OF JESUS' MINISTRY

RHYTHM 1	Jesus called the Twelve together.
RHYTHM 2	Jesus equipped them with power and authority.
RHYTHM 3	Jesus sent them out to go from town to town.
RHYTHM 4	Jesus invited his disciples to care for the crowd.
RHYTHM 5	Jesus retreated with his disciples to pray.

With Luke 9 in mind, **let's make some intentional plans for our ministry to students this semester:**

CALENDAR

MINISTRY DATES →	Review our calendar.
TEAM HANGOUTS →	Set up some time(s) to be together.
TEAM MEETINGS →	Plan our monthly team meetings.
SMALL GROUPS →	Anything outside of regular ministry time.

GOAL PLANNING

NEW STUDENTS

- How many new students do we want to see in our ministry?
- What is our follow up plan for new students?

CAMP

- How many unconnected students are we praying for at camp?
- Who are our student leaders and how could we set them up to lead with us?

STUDENTS SERVING

- How many students do we have currently serving in some capacity?
- How many of our students are ready to serve, but aren't currently?

BAPTISM

- How many students baptizing their friends are we praying for?
- How could we keep track of our students' "ones" and be praying for them?
