SOUTHEAST STUDENTS · HIGH CALLING

LEADER COMMITMENT

Serving with minors is a trusted leadership role. The following commitments define **who we commit to be** and **what we commit to do** so students are discipled, cared for, and protected with integrity.

WHAT WE COMMIT TO BE

01	**Christ Follower**	I acknowledge Jesus Christ as Lord and will keep growing through the Bible, prayer, worship, and community in the life of the church.
02	**Representative**	I represent Jesus, Southeast Christian Church, Southeast Students and will support the church's mission, beliefs, leadership, and unity.
03	**Above Reproach**	I will live with integrity in my words, actions, relationships, habits, and online presence, and will not knowingly misrepresent Jesus or Southeast.
04	**Trustworthy**	I will use my influence to protect, encourage, and disciple students—never to manipulate, isolate, shame, favor, or create inappropriate dependence.
05	**Teachable**	I will receive coaching, correction, and direction with humility. Teachability is part of faithful leadership.
06	**Disciple-Maker**	This is more than a weekly program. I will pray for students, help them feel known, and point them to Jesus and their next steps of faith.
07	**Integrity**	If my ability to lead with integrity becomes compromised, I will speak with Staff and, if needed, step back from serving.
08	**Conflict Resolution**	Following Matthew 18:15-17, I will handle conflict with humility—going directly to the person, avoiding gossip, pursuing reconciliation, and involving the right leaders when needed.

WHAT WE COMMIT TO DO

01	**Serve Faithfully**	I will serve the full ministry year—August through July—and participate in weekly gatherings, leader trainings, and all required ministry rhythms.
02	**Consistent**	I will be on time, prepared, and engaged when serving. Consistency builds trust with students, families, leaders, and staff.
03	**Communicate**	If I need to miss a gathering, event, or serving commitment, I will tell my co-leaders and Staff as early as possible.
04	**Be a Teammate**	I will work with co-leaders, campus staff, parents, and SE Students leadership in a way that is clear, cooperative, and aligned.
05	**Safety Guidelines**	I will follow all Southeast and Southeast Students safety policies and boundaries at all times, including:

- Never being alone with a student in a private or isolated setting.
- Appropriate physical, emotional, spiritual, relational, and digital boundaries.
- Communicating with students only in transparent and approved ways.
- Reporting concerns, disclosures, or unsafe situations to Staff immediately.

AGREEMENT

By signing, I confirm I have read, understand, and agree to these commitments as a leader with Southeast Students. Failure to follow these commitments may result in being paused or removed from serving. If I have questions or cannot agree to any commitment, I will speak with Staff before serving.
