BAPTISM

A leader guide to help a student reflect on their *decision* for Christ and the *commitment* of baptism—walking together through their story, the gospel, what baptism means, and their next step.

1. STARTING QUESTIONS

- Tell me about your journey with Jesus so far.
- Why do you want to get baptized?
- Share with me your understanding of the gospel.
- Do you have any questions or things you're unsure about?

2. GOSPEL CONVERSATION *(TURN OVER)*

Genesis 1	God created us for relationship
Genesis 3	Sin breaks that relationship
Isaiah 59:2	Sin leads to separation from God
Romans 6:23	We deserve death, but God gifts us new life
Romans 5:8	Christ made a way back for us to God
Acts 2:38	Confession leads to forgiveness of sins

3. WHAT IS BAPTISM?

- Ask the student to read **Romans 6:1–7** aloud.
- Baptism is a symbol:

↓ Dying to our **old life**
under the water

↑ Rising to **new life**
coming up

- Baptism doesn't save us. It is our response to what Jesus already did.

4. NOW WHAT?

- Read **2 Corinthians 5:17 to 6:2**.
- Today is the day of salvation! Will you go now and be Christ's ambassador? He wants to use you to reach others! Who will you tell?

THE BRIDGE

1 US + GOD

Genesis 1 describes the start of everything, including the start of humanity. God made us and began a relationship with us.

2

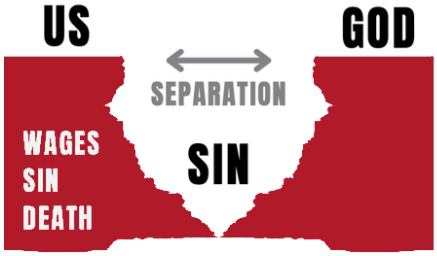

Genesis 3 describes how our relationship with God was broken by humanity's disobedience.

We call this disobedience "sin." God can have nothing to do with sin.

Read **Romans 3:23**.

3

Romans 6:23 and **Isaiah 59:2** describe the problem sin creates and its consequences. Sin separates us from God and causes death. There is nothing we can do to return to God on our own.

4

Romans 5:8, **Romans 10:9–10** and **Acts 2:38** tell us about the solution. His name is Jesus.

Jesus died for everyone's sin, conquered death, and made a way for us to be with God again.

When we trust in Jesus and choose to be baptized, we are saved!
